## Section 6: Assessment—Participation and Provisions

---

### Tips for Developing a Quality and Compliant Individualized Education Program (IEP)

Michigan Department of Education

The purpose of this section is to meet required assessment standards of the Michigan Educational Assessment System (MEAS), which includes: Michigan Merit Exam (MME), Michigan Educational Assessment Program (MEAP), MEAP-Access, MI-Access, and

Most students with Individualized Education Programs (IEPs) will participate in the MEAP or the MME with or without standard accommodations. For a student to be considered for participation in an alternate assessment (e.g., MEAP-Access, MI-Access), the student must have goals and objectives/benchmarks based on academic content standards for the grade in which the student is enrolled. Goals and objectives/benchmarks must also be aligned to the content area of the alternate assessment. See *Quick Reference Guide Section 4* for more detail.

Decisions about participation in the statewide assessment program may be based on:

- The student's grade level.
- Curriculum-based instruction/course of study.
- Present level of performance (Section 2).
- (Section 4)—(e.g., EGLCEs, GLCEs, EHSCEs, HSCEs).
- Instructional level.
- Administrative conditions of the assessment (e.g., setting, time allotment, delivery of instruction).
- If the student can demonstrate what he or she knows for the assessment under consideration.

Decisions about participation may NOT be based solely on any of the following factors:

- The student's disability.
- The services and programs the student receives.
- The effect the student's participation in a particular assessment has on the school's/district's overall performance.

## Checklist

- The IEP team determined if the student is in a grade being assessed by the state or district.
- The assessment options in the MEAS were reviewed.
- The student's present level of performance, curriculum, and instruction were reviewed to determine the most appropriate assessment.
- The assessment chosen was based on factors other than only the student's disability.
- More than one data source was used to choose the assessment.
- Decisions about the appropriate assessment were made for each content area (e.g., reading, writing, math, social studies).
- A rationale for not selecting the MEAP/MME/district-wide assessment is provided, if applicable.
- A rationale for selecting the alternate assessment is provided, if applicable.
- The accommodations
- The accommodations  
accommodations necessary for instruction and assessment in Supplementary Aids and Services (Section 5).
- If nonstandard accommodations and/or an alternate assessment are selected, the parent and student understand the consequences of this decision.
- All assessment and accommodation decisions are recorded in the IEP forms.

## Grades K-9

**Section 6: Grades K-9  
Assessment—Participation and Provisions**  
Based on Grade Level, Independence Level, and English Language Proficiency

**State Assessments: Grades 3-9**  
Is a state assessment administered at the grade level(s) covered by this IEP?  Yes  No

### Michigan Educational Assessment Program (MEAP)

**Administered:** All students in grades 3-9 are to participate in a state assessment. Indicate if state assessments are administered at the student’s grade level(s) during the time covered by the IEP. If state assessments are not administered, proceed to the District-wide Assessment section.

| Assessment Area  | Assessment  | Rationale  | Accommodations |

\* If the MEAP Social Studies Assessment is not appropriate for the student, the IEP team MUST identify a district-determined assessment until there is a state-developed MI-Access Social Studies Assessment.

### MEAP and Alternate Assessments

**Assessment:** For each assessment administered at the student’s grade level, indicate in which assessment the student will participate. If the IEP team determines the student will participate in MI-Access, the team must then identify if the student will participate in MI-Access Functional Independence, Supported Independence, or Participation. If the student will participate in MI-Access Supported Independence or Participation in any area, then the student must participate in the Supported Independence or Participation assessment in all areas assessed.

**Rationale:** If the IEP team determines the student will participate in an alternate assessment, the IEP team must provide an explanation in the Rationale column regarding:

1. Why the student cannot participate in the standard assessment.
  2. Why the selected alternate assessment is appropriate.

**Accommodations:** The IEP team must specify what accommodations (if any) are needed for each assessment in the Accommodations column. The only appropriate accommodations for the IEP team to consider are accommodations provided for the student in day-to-day instruction. Therefore, any accommodation selected for assessment is to have been identified as a necessary support in Supplementary Aids and Services (Section 5) and be derived from a need identified in the present level (Section 2).

The IEP team must be aware of the differences between standard and nonstandard accommodations as well as the consequences to the student and to the school if deciding to use nonstandard accommodations. **[§ 300.160(b)(2)(ii)]**

Standard (S) accommodations:

- Do not change the construct of the test.
- Result in valid scores for Adequate Yearly Progress (AYP).

Nonstandard (NS) accommodations:

- Change the construct of the test.
- Do not count toward valid scores for AYP.
- Prevent student scores from being recorded as tested for reporting on State Performance Plan (SPP) Indicator 3.

Please reference the *Revised Assessment Accommodation Summary Table* to determine if the accommodation is S or NS.

**District-wide Assessments: Grades K-9**  
Is a district-wide assessment administered at the grade level(s) covered by this IEP?  Yes  No

Based on Grade Level, Independence Level, and English Language Proficiency

**State Assessment—Michigan Merit Exam: Grades 11-12**

For students at grade level 12: For **MME retest** eligibility, see details in the *MME Student Eligibility* document at [www.michigan.gov/mme](http://www.michigan.gov/mme). Will the student participate in the MME?  Yes  No

**Michigan Merit Exam (MME) Administered:** For grade 11 state assessments, the IEP team must indicate in which assessment the student will participate [the Michigan Merit Exam (MME) or MI-Access].

For grade 12 state assessments, the IEP team must indicate if the student will participate in the MME, based on MME retest eligibility.

If state assessments are not administered, proceed to the District-wide Assessment section of this form.

### MI-Access

**Assessment:** The IEP team must then identify if the student will participate in MI-Access Functional Independence, Supported Independence, or Participation. If the student will participate in MI-Access Supported Independence or Participation in any area, then the student must participate in the Supported Independence or Participation assessment in all areas assessed.

**Section 6: ELPA/NAEP (Grades K-12)**  
**Assessment—Participation and Provisions: ELPA**  
 Based on Grade Level, Independence Level, and English Language Proficiency

**State Assessment: English Language Proficiency Assessment (ELPA)**  
 The Home Language Survey (HLS), a Title VI reporting requirement, is given to all students at the time of enrollment.  
 Please consider these two questions annually:  
 Is the student's native tongue a language other than English?  Yes  No  
 Is a language other than English spoken in the student's home or environment?  Yes  No  
 When either answer is **Yes**, complete the following section.

**English Language Proficiency Assessment (ELPA):** The questions provide the basis for decision-making regarding the administration of the ELPA. The answers to these questions are taken from the results of the Home Language Survey (HLS).

| Assessment Level and Grade for Spring ELPA and ELPA Initial Screening | Initial Screening | Spring ELPA |
|---|-------------------|-------------|
| Level I—Grade K   |                   |             |
| Level II—Grades 1-2   |                   |             |
| Level III—Grades 3-5  |                   |             |
| Level IV—Grades 6-8   |                   |             |
| Level V—Grades 9-12   |                   |             |

**ELPA Proficiency Level:** If the student has been identified as Limited English Proficient (LEP) through the HLS, the student participates in the Initial Screening. If the student has previously participated in the Initial Screening, and the student remains identified as LEP, the student participates in the Spring ELPA.

Document the proficiency level for the most recent administration of the Initial Screening or Spring ELPA.

## National Assessment of Educational Progress (NAEP)

### Assessment—Participation and Provisions: NAEP

Based on Grade Level, Independence Level, and English Language Proficiency

**National Assessment: National Assessment of Educational Progress (NAEP)**  
 Is a NAEP assessment administered to the student's district at the grade level(s) covered by this IEP?  Yes  No  
 Has the student participated in the Michigan Educational Assessment Program (MEAP) in the subject being tested?  Yes  No  
 Can the student participate in the NAEP with allowable accommodations? See the *Revised Assessment Accommodation Summary Table* at [www.michigan.gov/nasb](http://www.michigan.gov/nasb).  Yes  No  
 Can the student participate in the NAEP with allowable accommodations, even if the student did not participate in the MEAP, or needs accommodations not allowed by the NAEP?  Yes  No

The state of Michigan participates in the National Assessment of Educational Progress (NAEP), otherwise known as the Nation's Report Card, which informs the public about the academic achievement of elementary and secondary students in the United States. Schools are selected nationwide for participation in the NAEP. The administration of the NAEP is coordinated through the Michigan Department of Education (MDE) and appointed school coordinators. Districts receive advanced notice if they are to participate in the NAEP. Michigan law requires that schools administer the NAEP. Federal law authorizes withdrawal of specific funds from elementary and middle schools who do not participate. **[MCL 380.1280(b)]**

This section is only completed if the student is to participate in the NAEP.

| Assessment | Participation  | If YES, for each content area, indicate any assessment accommodation(s) that the student may need.<br>If NO, state the reason why a specific NAEP assessment is not appropriate. |

### National Assessment of Educational Progress (NAEP)

**Assessment and Participation:** In the first column, identify each NAEP assessment administered at the student's grade level. For each assessment, indicate if the student will participate.

**Rationale:** If the IEP team determines the student will not participate in the assessment, the team must provide a rationale for why the assessment is not appropriate.

**Accommodations:** If the IEP team determines the student will participate in the assessment, the team must specify what accommodations (if any) are needed for each assessment.

The expectations for completing the accommodations are consistent throughout the IEP. See instructions for accommodations in "Accommodations" in the ELPA section above.
