

Maker Space!

MISD Maker Nights

Come Join Us for MISD Maker Nights!

Are you interested in the Maker Movement in education and looking for ways to bring Design Thinking and hands-on learning into your classroom? Join us for a day of Making! Explore many ways you can infuse making into your classroom, no matter what you teach! Sessions will be led by many REMC Classroom Makers and other maker experts for a day of hands-on opportunities. Come out and develop your maker skills while collaborating with other educators. All classes run from 4:30 PM - 6:30 PM.
