

# School-Wide PBIS Parent Information

Hello Parents, Guardians and Students,

Welcome PBIS – Positive Behavioral Interventions and Supports!

PBIS is used schoolwide. We encourage, teach, and provide supports for students to make positive choices throughout their day.

Our program follows the B.E.A.R.S. plan

- B – Be Kind
- E – Encourage Each Other
- A – Always Stay Safe
- R – Responsibility
- S – Seek to Learn and Understand

We have Bi-Monthly Themes for students to practice their Positive Behavior Skills. See the PBIS Matrix for more information. The students earn “Bear Bucks” to use at the school store when they are “caught” using the PBIS Skill assigned for the month. Once they use their Bear Bucks at the store, they will be entered into a monthly drawing to win cool BEARS Spirit Wear. Each student that earns Bear Bucks will receive a certificate to take home.

We will also be choosing a “Student of the Month” to showcase their attendance (Face 2 Face and Virtual), ability to try a new activity in the classroom or at home, and interactions with peers and staff during instructional time. The students will receive a Certificate with a handwritten note from their teacher and 5 Bear Bucks to spend or save at the school store.
