

April 2, 2020

Dear Parents,

We are nearing the end of our third week of delivering meals to our MISD students at their home, and we hope that your student is enjoying their food distribution. As you know, the week of April 6<sup>th</sup> is scheduled to be our Spring Break, and we want you to know that there will be a modification to our normal food distribution schedule.

On Monday, April 6<sup>th</sup>, your student will receive 2 days' worth of breakfast and lunch meals, and on Wednesday, April 8<sup>th</sup>, your student will receive 3 days' worth of meals. Our regular distribution schedule will resume on Monday, April 13<sup>th</sup>.

If you have any questions, please reach out to your building main office.

Thank you,

Carolyn Thomas

Food and Nutrition Consultant
