MACOMB LITERACY LEADERS MEETINGS 2024 – 2025

Macomb Intermediate School District

Macomb Literacy Leaders is a group of K-12 department chairpersons, grade-level leaders, coaches and other teacher leaders who work with other adults in a professional capacity. Our meetings are a chance to network with other literacy leaders in the county, hear about county-level, statewide and national literacy updates, and sharpen skills for working with adult learners.

Our goal is to have representation for all schools in Macomb County- teacher leaders from public schools, private schools and charter schools are welcome! Districts may send representatives from multiple levels (i.e. an elementary, middle and high school representative) as they see fit.

Lunch and materials will be provided at meetings.

Cost: \$50.00

DATE	<u>LOCATION</u>	<u>TIME</u>
