Important Notice on Menu Changes in 202122 School Year

Nation wide, food suppliers face labor shortages and transportation challenges that are adding costs and limiting supplies. Food distributors expect to run low on everything from canned fruit to lunch trays. We anticipate frequent menu changes in 2021-22 School Year. We may serve different breakfast entrees at different schools depending on availability. We will notify schools of all menu changes prior to the serving day so proper announcement can be made.
